

## **Session Program**

**9-13 Jul 2017**

## **CEC-ICMC 2017 - Abstracts, Timetable and Presentations**

### ***M1PoE - Superconductors I: Measurements, Mechanical, Electrical, Stability, AC Loss***

Monona Terrace Community and Convention Center  
Madison, Wisconsin USA

# Monday 10 July

14:00

## **M1PoE - Superconductors I: Measurements, Mechanical, Electrical, Stability, AC Loss**

**Poster Session** | **Location:** Exhibit Hall AB | **Conveners:** Takanobu Kiss, Dr Milan Majoros

### **YBCO pancake coils wound using electrically non insulated tapes: current sharing, stability, quench, and NZP measured at 4.2 K and 10 T**

**Speaker**  
Dr Majoros Milan

### **Status of Round Robin Test for Tensile Test on REBCO Wires at Cryogenic Temperature**

**Speaker**  
Nadezda Bagrets

### **Current sharing, quench, and normal zone propagation in YBCO CORC cables**

**Speaker**  
Milan Majoros

### **AC losses of Round Superconducting Cables Subjected to Time-dependent and/or Rotating Magnetic Fields**

**Speaker**  
Mr Kun Dong

16:00
