NORDIC E-INFRASTRUCTURE COLLABORATION

Overview

- **Note: This is a follow-up to the decisions we made in September**

- Editor board of the webpage
- Input workflow

Volunteers (so far)

- Maarten Litmaath
- Alessandra Forti
- Helge Meinhart
- Mattias Wadenstein

Input

- Stakeholders with input to the page, please send this in email to the editors above
- For instance: I'd like to see Andrej's verbal comment about ATLAS operations preferring ARC-CE over HTCondor-CE in writing with reasoning that we can cut&paste into the page
- Same goes for anyone else with preferences or corner cases that impacts site choices
- Remember to include which stakeholder you speak for
