Programme website

The screenshot shows the Indico event page for the French Teacher Programme. At the top, there is a blue header with the French flag and the text "French Teacher Programme". Below the header, the event dates "22-27 October 2017" and location "CERN" are displayed, along with a search bar. The main content area is divided into several sections: "Overview" and "Timetable" are listed in a sidebar; "Administrative Support" provides contact information for Maureen Prola-Tessaur and a phone number; a descriptive paragraph explains the program's focus on particle physics; contact details for the "Teacher Programme Manager" (Jeff Wiener) and "In case of emergency" (CERN fire brigade) are provided; a "Starts" and "Ends" section lists the dates and times; a "Materials" section lists several PDF documents; and an information box at the bottom provides details about the scientific program and arrival instructions.

The **French Teacher Programme 2017** will take place from 22-27 October 2017. Lectures, on-site visits, exhibitions, and hands-on workshops will introduce its participants to cutting-edge particle physics. We hope our participants will go back to France as ambassadors, who pass on the subject to our next generation of physicists, engineers, IT specialists ...
