Welcome!

Kraków is a city where history meets advanced technology and business:

- More than 20 universities, 50 international IT companies.
- Kraków is trying to become the Europe's Silicon Valley
- This is the second city in Poland (after Warsaw) most often visited by foreigners.
- 28 museums and art galleries, 11 theatres.

Let's meet in June 2017 in Kraków!

Thank you for the attention!
