Discussion on LHCONE planning for LHC Run3

- Pre-GDB meeting on networking:
 - Was it useful for helping to plan LHC Run3 LHCONE (& LHCOPN?) support?
 - How?
 - What would have been more helpful?
- Service providers upgrade plans for the next 5 years:
 - Was it useful for helping to plan LHC Run3 LHCONE (& LHCOPN?) support?
 - How?
 - What would have been more helpful?
- Does this group need to generate ***something*** that describes what it needs to effectively plan for LHC Run3 LHCONE (& LHCOPN?)?
 - If so, what is that ***something***?
 - Who will draft it?
