

Session Program

25-29 Jan 2010

**CERN Winter School on Supergravity,
Strings, and Gauge Theory 2010**

***Tutorial "Recent advances in string model
building" (Lectures T. Weigand)***

CERN, 500/1-001 - Main Auditorium

Tuesday 26 January

17:00

18:00

Tutorial "Recent advances in string model building" (Lectures T. Weigand)

Session | Location: CERN, TH Theory Conference Room
