BGL 2017 Final Welcome Circular

Dear Participants,

We are looking forward to welcome you soon in Gyöngyös; in the meanwhile let us share some important agenda, arrival and registration details with you.

1) Agenda

The agenda of the School has been compiled, it is available at the homepage:

<https://indico.cern.ch/event/586799/page/11361-preliminary-agenda>

https://indico.cern.ch/event/586799/attachments/1400831/2353974/bgl17_preliminary_agenda.pdf

We would like to kindly ask you to double check this, and we will also later ask you to upload your talk to the indico page agenda. This way we will later be able download your slides before the given session starts.

You may also see that there are plenty of interesting cultural events during the conference, we in particular suggest to participate at the Sunday afternoon events, Monday evening cultural program and our organized excursions on Wednesday, Thursday and Saturday. Accompanying persons are also welcome join these programs (on a self-paid basis).

2) Transportation

There is plenty of information available at

<https://indico.cern.ch/event/586799/page/8960-local-transportation-and-transfer>

In particular, if you are coming from Budapest, we suggest to take the bus from the bus stop "Stadionok" or otherwise called "Puskás Ferenc Stadion". We uploaded a timetable to:

If you need more information, please contact one of the local organizers.

3) Arrival, registration

Registration opens at 18:00 on Sunday, August 20 at the Károly Róbert Hostel (Gyöngyös, Bene út 69, this is where most of you will be accommodated): <https://goo.gl/maps/5BkjjmNX7Vg>

The venue of the conference is the Károly Róbert Campus of the Eszterházy Károly University (Gyöngyös, Mátrai út 36, Main building, lecture hall 3): <https://goo.gl/maps/usmvpDYTrXQ2>

Registration will continue at conference site (in lecture hall 2, next to lecture hall 3) during conference hours, until Thursday.

Looking forward to welcome you in Gyöngyös, best regards,

Tamás Csörgő, chair of LOC, Máté Csanád, scientific secretary and Tamás Novák, co-chair of LOC
for the BGL 17 Local Organizing Committee
