

The 4th Conference of the Polish Society on Relativity

Monday, 25 September 2017

Cosmology I (14:50 - 16:30)

time	[id] title	presenter
14:50	[66] Averaging of disturbed Friedmann--Lemaitre cosmological model	GŁÓD, Krzysztof
15:10	[51] A possible connection of blueshifts in the Lemaitre - Tolman and Szekeres models with the gamma-ray bursts	KRASIŃSKI, Andrzej
15:30	[74] Cosmological backreaction conjecture: recent developments	OSTROWSKI, Jan
15:50	[36] Formation of the first molecules in early Universe beyond the Λ CDM model	SERGIJENKO, Olga
16:10	[20] Simple inhomogeneous cosmological model in the context of back reaction	SIKORA, Szymon
