

Ringberg workshop on non-perturbative QCD of jets

Monday, 8 January 2007

QCD @ LHC (14:00 - 18:20)

time	[id] title	presenter
14:00	[22] NNLL resummation and power corrections in QCD hard scattering	STERMAN, George
14:20	[10] Jet Energy calibration	MENKE, Sven
15:05	[15] QCD for LHC start-up with CMS	RABBERTZ, Klaus
15:50	coffee break	
16:15	[3] Characterising hadronization, UE and pileup effects in jets	SALAM, Gavin
16:45	[16] Threshold resummation from effective field theory	NEUBERT, Matthias
17:15	[23] QCD Analysis of Event Shape Moments in e+e- Annihilation	PAHL, Christoph
