

Ringberg workshop on non-perturbative QCD of jets

Tuesday, 9 January 2007

New Approaches (09:00 - 12:30)

time	[id] title	presenter
09:00	[8] Top quark mass: Fitting, Threshold and Reconstruction	HOANG, Andre
09:30	[9] Jets with Massive Unstable Particles in Effective Field Theory	MANTRY, Sonny
10:15	[13] Power Corrections to Event Shapes from Factorized Soft Gluons and SCET	LEE, Christopher
10:45	coffee break	
11:15	[14] Improving Event Generators with Effective Field Theory	BAUER, Christian
11:45	[18] Generalizing the DGLAP Evolution of Fragmentation Functions to the Smallest x-values	ALBINO, Simon
