

Ringberg workshop on non-perturbative QCD of jets

Tuesday, 9 January 2007

QCD and String Theory (14:00 - 18:00)

time	[id] title	presenter
14:00	[6] New insights into non-perturbative QCD from String Theory	ERDMENGER, Johanna
14:45	[7] The Application of AdS/QCD to Hadronic Amplitudes and Jet Hadronization	BRODSKY, Stanley J.
15:45	coffee break	
16:15	[19] New string theory descriptions of mesons and finite temperature effects in QCD	KAMINSKI, Matthias
