

# International Workshop on Partial Wave Analyses and Advanced Tools for Hadron Spectroscopy

**Sunday, March 12, 2017 - Friday, March 17, 2017**

**Bad Honnef**

## Scientific Program

## **Topic 1: Spectroscopy of Baryons, Light- and Heavy-Quark Mesons**

## **Topic 2: Tools and Methods for Partial Wave Analyses**

## **Topic 3: Theoretical Constraints on Amplitude Analyses**

## **Topic 4: Hadron Spectroscopy, Lattice QCD and Models**

## **Topic 5: Future Directions and Goals for Hadron Spectroscopy**

## **Topic 6: Spectroscopy Input for other Fields**
