WLCG Workshop Security & Trust

David Crooks

Next week

- WLCG Workshop in Manchester

- Monday afternoon session on Security and Trust

  - Talks by Vincent Brillault, Romain Wartel and Liviu Vâlsan

- Looking for questions/concerns/interest on topics we'll look at

Singularity

- Security aspects of Singularity

  - Isolation

  - Traceability

Collaboration

- Security is a global, collaborative effort

  - How do we work best in that environment?

  - Who do we collaborate with for security?
