

European Strategy for Future Neutrino Physics

Saturday 3 October 2009

Accelerators Session II - convenors Ilias Efthymiopoulos; David Wark - 500/1-001 - Main Auditorium (09:00 - 13:10)

time	[id] title	presenter
09:00	[31] Introduction	EFTHYMIPOULOS, I.
09:10	[33] Introduction and front-end: Particle production and capture	KIRK, H.
09:50	[34] Cooling and acceleration	ZISMAN, M.
10:20	[48] Neutrino factory design study - R&D projects in Europe	POZIMSKI, J.
10:50	Coffee break	
11:20	[35] Synergies with LHC and EURISOL projects	GAROBY, R.
11:50	[37] From Neutrino-factory to Muon Collider	GEER, S.
12:20	[38] Wrap-up discussion on neutrino factory	WARK, D.
