Programme website

The screenshot shows a web page for the UK Teacher Programme 2017. At the top, there is a blue header with the UK flag and the text "UK Teacher Programme". Below the header, the date "12-16 December 2017" and location "CERN" are displayed, along with a search bar. The main content area is divided into a left sidebar and a main text area. The sidebar contains tabs for "Overview" and "Timetable", and a section for "Administrative Support" with contact information for Maureen Prola-Tessaur. The main text area provides a description of the programme, a link to the Indico page, the name and phone number of the Teacher Programme Manager (Jeff Wiener), and emergency contact information for the CERN fire brigade. It also includes a clock icon for start and end times, a location pin for CERN, and a list of organizers (Jeff Wiener and Mark Langley). A final note at the bottom states that scientific programme and agenda information will be available under the Timetable tab, and that arrival information and participation confirmation will be sent via email.
