This is the PIC report to HEPiX Spring 2017.

Length of talk (minutes)

12

Scheduling constraints / preferences

NOTE: Since there is the C-RRB at CERN at the beginning of the week, I can only be in Budapest from Wednesday on. So, I would like this talk to be scheduled in Wed., Thu. or Fr., at your best convenience. Helge asked me to write this down here, so it is considered. Thanks!
