Workshop on top physics at the LC 2017

Top mass

CERN, 503/1-001 - Council Chamber

Wednesday 7 June

14:00

Top mass

Session | **Location:** CERN, 503/1-001 - Council Chamber | **Convener:** Roman Poeschl

14:00-14:30 **Update on the top threshold scan studies**

Speaker

Frank Simon

14:30-15:00 **NNLO non-resonant and other electroweak corrections at threshold**

Speaker

Pedro Ruiz-Femenia

15:00-15:30 **Top mass from radiative events**

Speakers

Marcel Vos, Mr Pablo Gomis Lopez

15:30-16:00 **Top invariant mass vs. PYTHIA (LHC and e+e-)**

Speaker

Andre Hoang
