

Session Program

15-16 Feb 2017

**Workshop high school cosmic ray
experiments**

Morning session

CENTRO FERMI, ROME
CENTRO FERMI

Thursday 16 February

09:00

Morning session

Session | **Location:** CENTRO FERMI, ROME, CENTRO FERMI

09:00–09:25 **Gamma Ray Hunters**

Speaker

Sebastián Grinschpun

09:25–09:50 **DETECTA**

Speaker

Sebastián Grinschpun

09:50–10:15

Cosmic-Ray Extremely Distributed Observatory: a tool to explore uncharted realm of science

Speaker

Petr Homola

10:15–10:40 **CYFRONET: computing centre to host a global cosmic-ray initiative**

Speaker

Marek Magrys

10:40–11:10 **Coffee**

11:10–11:35

Citizen science potential in a global cosmic-ray project: hands-on exercises with CREDO / Dark Universe

Speaker

Sulek Mateusz

11:35–12:00 **Cosmic Ray Studies I**

Speaker

Marjorie Bardeen

12:00–12:25 **Cosmic Ray Studies II**

Speaker

Mark Raymond Adams

12:25
