

Current status of QCD from nuclear reactions to the high energy frontier

Thursday, 19 January 2017

Working Group 2 Meeting (13:30 - 15:30)

time	[id] title	presenter
13:30	[7] WG2 Introduction	AICHELIN, Joerg
14:00	[8] Initial State and Lambda Polarisation	CSERNAI, Laszlo
14:30	[9] Forward-backward multiplicity correlations in pp collisions at LHC within the QGSM	BRAVINA, Larisa
