

Session Program

27-30 Mar 2017

Fermi-LAT Spring Collaboration Meeting

Afternoon Block

CERN

Monday 27 March

14:00

15:30

16:00

17:30

Afternoon Block

Session | **Location:** CERN, 500/1-001 - Main Auditorium

Afternoon Block

Session | **Location:** CERN, 500/1-001 - Main Auditorium

Tuesday 28 March

14:00
15:30
16:00
17:30

Afternoon Block
Session | Location: CERN, 500/1-001 - Main Auditorium

Afternoon Block
Session | Location: CERN, 500/1-001 - Main Auditorium

Wednesday 29 March

14:00

Afternoon Block

Session | **Location:** CERN, 500/1-001 - Main Auditorium

14:00-14:15

Bringing Fermi Science to the News

Speaker

Mr Francis Reddy

14:15-14:35

Animations project with MICA

Speakers

Dr Elizabeth Ferrara, Dr Roopesh Ohja

14:35-14:50

Update on the Masterclass activity in France

Speaker

Benoit Lott

14:50-15:10

Masterclass in Italy and other outreach projects with high school students

Speaker

Raffaella Bonino

15:10-15:20

VMs implementation for the Fermi Masterclass in Bari

Speaker

Francesco de Palma

15:20-15:30

Gamma Ray Astrophysics Communication Experiences

Speaker

Francesco Longo

15:30

16:00

Afternoon Block

Session | **Location:** CERN, 500/1-001 - Main Auditorium

16:00-16:18

Gamma-Ray Bursts

Speaker

Soebur Razzaque

16:18-16:36

Dark Matter

Speaker

Aldo Morselli

16:36-16:54

Active Galaxies

Speaker

Dr Greg Madejski

16:54-17:12

PWN and the Crab Flare Modeling

Speaker

John Kroon

17:12-17:30

Application of topometric clustering algorithms in gamma ray source detection and deblending using the ASTERIsM framework

Speaker

Dr Andrea Tramacere

17:30

Thursday 30 March

14:00

15:30

16:00

17:30

Afternoon Block

Session | **Location:** CERN, 500/1-001 - Main Auditorium

Afternoon Block

Session | **Location:** CERN, 500/1-001 - Main Auditorium
