

Session Program

25-27 Jun 2009

**LHeC Pre-meeting: Small x and high parton
densities**

Inclusive measurements in e - p , e - A

CERN, 14/4-030

Friday 26 June

15:00

Inclusive measurements in e-p, e-A

Session | Location: CERN, 14/4-030

15:00–15:30

Parton distributions and QCD at small-x at the LHeC

Speaker

Juan Rojo

15:50–16:20

Saturation Physics Beyond HERA

Speaker

Emil Avsar

16:40–17:10

Dipole models in inclusive observables at the LHeC

Speaker

Javier Albacete

17:30–18:00

eA pseudodata

Speaker

Nestor Armesto Perez

18:00
