

## **Session Program**

**25-27 Jun 2009**

### **LHeC Pre-meeting: Small $x$ and high parton densities**

***Physics at low- $x$ , unitarity, saturation  
(continued)***

CERN, 14/4-030

## Friday 26 June

14:00

15:00

### Physics at low-x, unitarity, saturation (continued)

Session | Location: CERN, 14/4-030

14:00-14:30

#### The need of non-linearity in small-x evolution

##### Speaker

Guilherme Teixeira De Almeida Milhano
