

Session Program

4 March 2017

3rd PIKIO Meeting (4 March 2017)

Morning Session 2

Indiana University, Swain Hall West 119
Indiana University Physics Department 727 E. Third St., Bloomington, IN 47405

Saturday 4 March

11:20

Morning Session 2

Session |

Location: Indiana University, Swain Hall West 119, Indiana University Physics Department 727 E. Third St.,
Bloomington, IN 47405

11:20-11:40

Phenomenological studies on hadronic reactions and resonances extraction

Speaker

Andrew Jackura

11:40-12:00

Dark Matter Transporting Mechanism Explaining Positron Excesses

Speaker

Dr Seodong Shin

12:00-12:20

Little Hierarchy in Minimally Specified MSSM

Speaker

Navin McGinnis

12:40
