- Yesterday we lost a Colleague and Friend
- The news came very sudden to us
- Less than 24 hrs before we, in the IAC, still received this mail from Maria, concerning **PHOTON 2019**

Frascati is a great idea!

Best wishes for ongoing Photon conf.

Maria

# Maria Krawczyk

- Yesterday we lost a Colleague and Friend
- Maria is a member of the IAC – and former 2005 organizer– of the “Photon”-workshop series
  - Structure of the Photon
  - Photon Colliders
  - Higgs/BSM physics at LHC, ILC...
  - 2 Higgs doublet model, Inert doublet model
  - ...
- Many of us have worked directly together with Maria over the past decades

**Maria will be sorely missed. Rest in Peace...**

We propose to dedicate the proceedings  
of Photon 2017 to Maria
