## **CALIPSOplus NA1 :**

From first part of 2017 the following activities will be financed for umbrellaID:

- Promotion of umbrellaID and the unified access platform.
- Coordinated development of umbrellaID extensions, i.e. connection to ORCID and other infrastructures such as supercomputing centers.
- Technical helpdesk for the users of umbrellaID and its attached systems (e.g. Moonshot, iCAT).
- Maintenance of the website of the umbrellaID collaboration.
- Close connection to RDA, FIM4R and AARC projects.

## **PR activities as from beginning of 2017:**

- New website online
- Email to all users of the collaboration via user office portals
- Mail to INSTRUMENT users
- Write on each UO website, what you can do with umbrellaID
- PR actions should be coordinated within the umbrellaID collaboration.
- Get in contact with Neutron community, Ines Crespo  
[neutronsources.org](http://neutronsources.org),
- Get in contact with [lightsources.org](http://lightsources.org).
- Facility internal (e.g. PSI Aktuell, Fenster zur Forschung, Facility news editorial?)
  
- Create timeline to this, should be done until end of the year

Thank you for your attention!
