

Session Program

17-21 Dec 2017

Beyond Standard Model: From Theory To Experiment (BSM-2017)

Astroparticle Session

Hurghada, Egypt
Jasmine Palace Resort Hurghada, Red Sea.

Monday 18 December

09:00

11:00

Astroparticle Session	
Session	
09:00–09:35	Gravitational-Wave Cosmology with Standard Siren Speaker M. Hendry
09:40–10:15	Exploiting experimental data to constrain exotic DM scenarios Speaker S. Kulkarni
10:20–10:55	Heating Halo Dark Matter via Gas Fluctuations Speaker A. El-Zant
