

Session Program

1-3 Feb 2017

High Energy Particle Physics Workshop 2017

Session V

iThemba LABS - North
Cnr Jan Smuts Ave & Empire Road, Braamfontein Private Bag11, WITS 2050, South Africa

Thursday 2 February

11:00

Session V

Session |

Location: iThemba LABS - North, Cnr Jan Smuts Ave & Empire Road, Braamfontein Private Bag11, WITS 2050, South Africa

11:00-12:30

Overview of Experimental Techniques II

Speaker

Andrea Helen Knue

12:30-13:00

Particle Physics in Space (Dark Matter and the LHC)

Speaker

Dr Beck Geoff

13:00
