

DISTANCES

1st – 2nd skimmer

- **20.247 mm**

- Depending on which of The Cockcroft Institute's 3D models we consider, 19.75 or 22 mm
- From the PhD, 20 – 100 mm

2nd – 3rd skimmer

- **333.086 mm**

- Originally, 334.272 mm
- From the PhD, 100 – 500 mm

3rd skimmer – Interaction chamber

- **419 mm**

- Originally, 259.421 mm, but we had to make it longer to fit the gate valve
- Nothing on the PhD about this parameter
