Indirect DM searches

Tuesday 19 June 2018 11:10 (25 minutes)

I will briefly review the current status of searches for Dark Matter using cosmic rays, intended in a broad sense (charged particles, gamma rays, neutrinos, possibly the CMB and radio waves).

Author: Dr CIRELLI, Marco (CNRS LPTHE Jussieu)

Presenter: Dr CIRELLI, Marco (CNRS LPTHE Jussieu)

Session Classification: Dark Matter
