

Session Program

12-18 Jun 2017

Low x 2017

Jets and final state session II

Other Institutes
Bisceglie (Ba)

Tuesday 13 June

16:30

Jets and final state session II

Session | **Location:** Other Institutes, Bisceglie (Ba)

16:30–16:55

PDF results from CMS V+jets measurements**Speaker**

Achim Geiser

16:55–17:20

Production of electroweak bosons on association with jets in ATLAS**Speaker**

Stefania Spagnolo

17:20–17:40

Dihadron production, heavy-quark pair production, dijet and multi-jet production**Speaker**

Francesco Giovanni Celiberto

17:40–18:00

Dipole description of diffractive dijet and quarkonia production**Speaker**

Roman Pasechnik

18:00–18:45

Discussion session: PDFs, jets, QCD fits, photon**Speakers**

Achim Geiser, Alan Martin, Amanda Sarkar, Enrico Tassi

18:45
