

Session Program

12-18 Jun 2017

Low x 2017

Jets, heavy quark, final states session I

Other Institutes
Bisceglie (Ba)

Wednesday 14 June

14:30

Jets, heavy quark, final states session I

Session | **Location:** Other Institutes, Bisceglie (Ba)

14:30–14:55 **EW, jets, and heavy flavour production at LHCb**

Speaker

Katharina Mueller

14:55–15:20 **New measurements of jets in DIS and extraction of α_s at NNLO**

Speaker

Vladimir Chekelian

15:20–15:45

ombined measurement of charm and beauty production in DIS and extraction of the charm and beauty quark masses

Speaker

Achim Geiser

15:45–16:05 **A Very Forward Hadron Spectrometer at the LHC**

Speaker

Michael Albrow

16:05
