  - HTCondor team: 10 hours 05 minutes
  - Users: 7 hours 05 minutes
  - Rich, very interesting, heavy programme
  - Comprehensive coverage of HTCondor
  - User reports covering various domains
  - High quality of presentations
  - Thanks to all speakers and chair persons for good time-keeping

# Visits

- PETRA III experimental hall: presentation, guided tours
- DESY data centre: guided tours

# Breaks

- Coffee breaks
- Lunches
- Dinner, evening discussions
  - Welcome reception
  - Social event

Countless hours of valuable discussion

# Facilities

- Excellent meeting rooms
  - Exactly right size, well equipped, good acoustics
  - Lobby with coffee area
- Very smooth local organisation
  - “... except perhaps for the weather”

# Next Workshop

- Open for discussion
  - Regular HTCondor weeks in Madison (in May each year)
  - Travel in Europe easier for many European attendees
- If another workshop to be held:
  - When? In about 15 months' time?
  - Duration? This time 3 full days
  - Venue? 1 firm proposal received; if you are able and interested to host next or any future workshop, please let me know
