

# The undead top asymmetries

A spooky tale by J.A.Aguilar Saavedra

Red LHC workshop, IFT, May 8<sup>th</sup> 2017

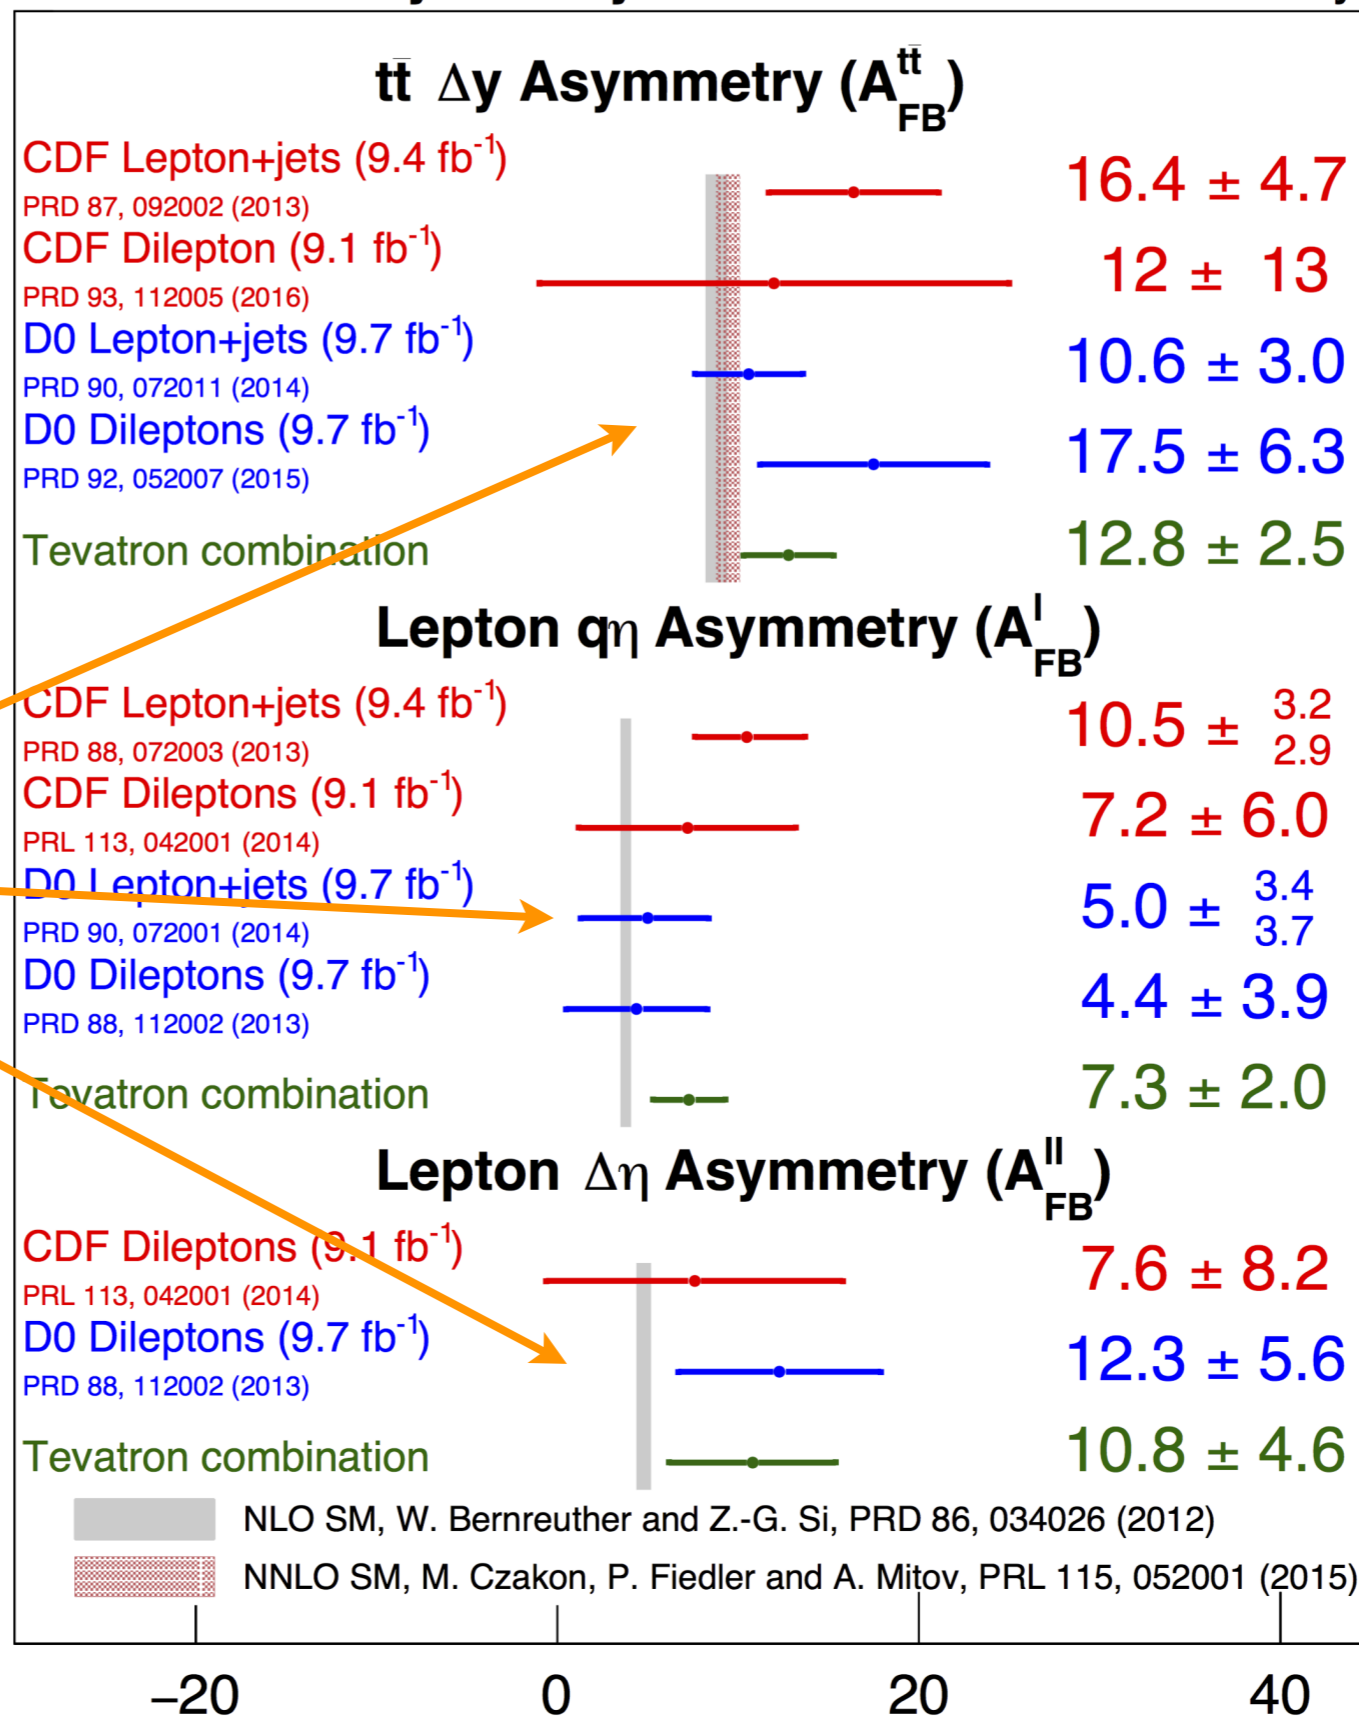

# Tevatron summary

Agreement with SM but...

All measurements  
above SM

## Tevatron $t\bar{t}$ Asymmetry

Preliminary

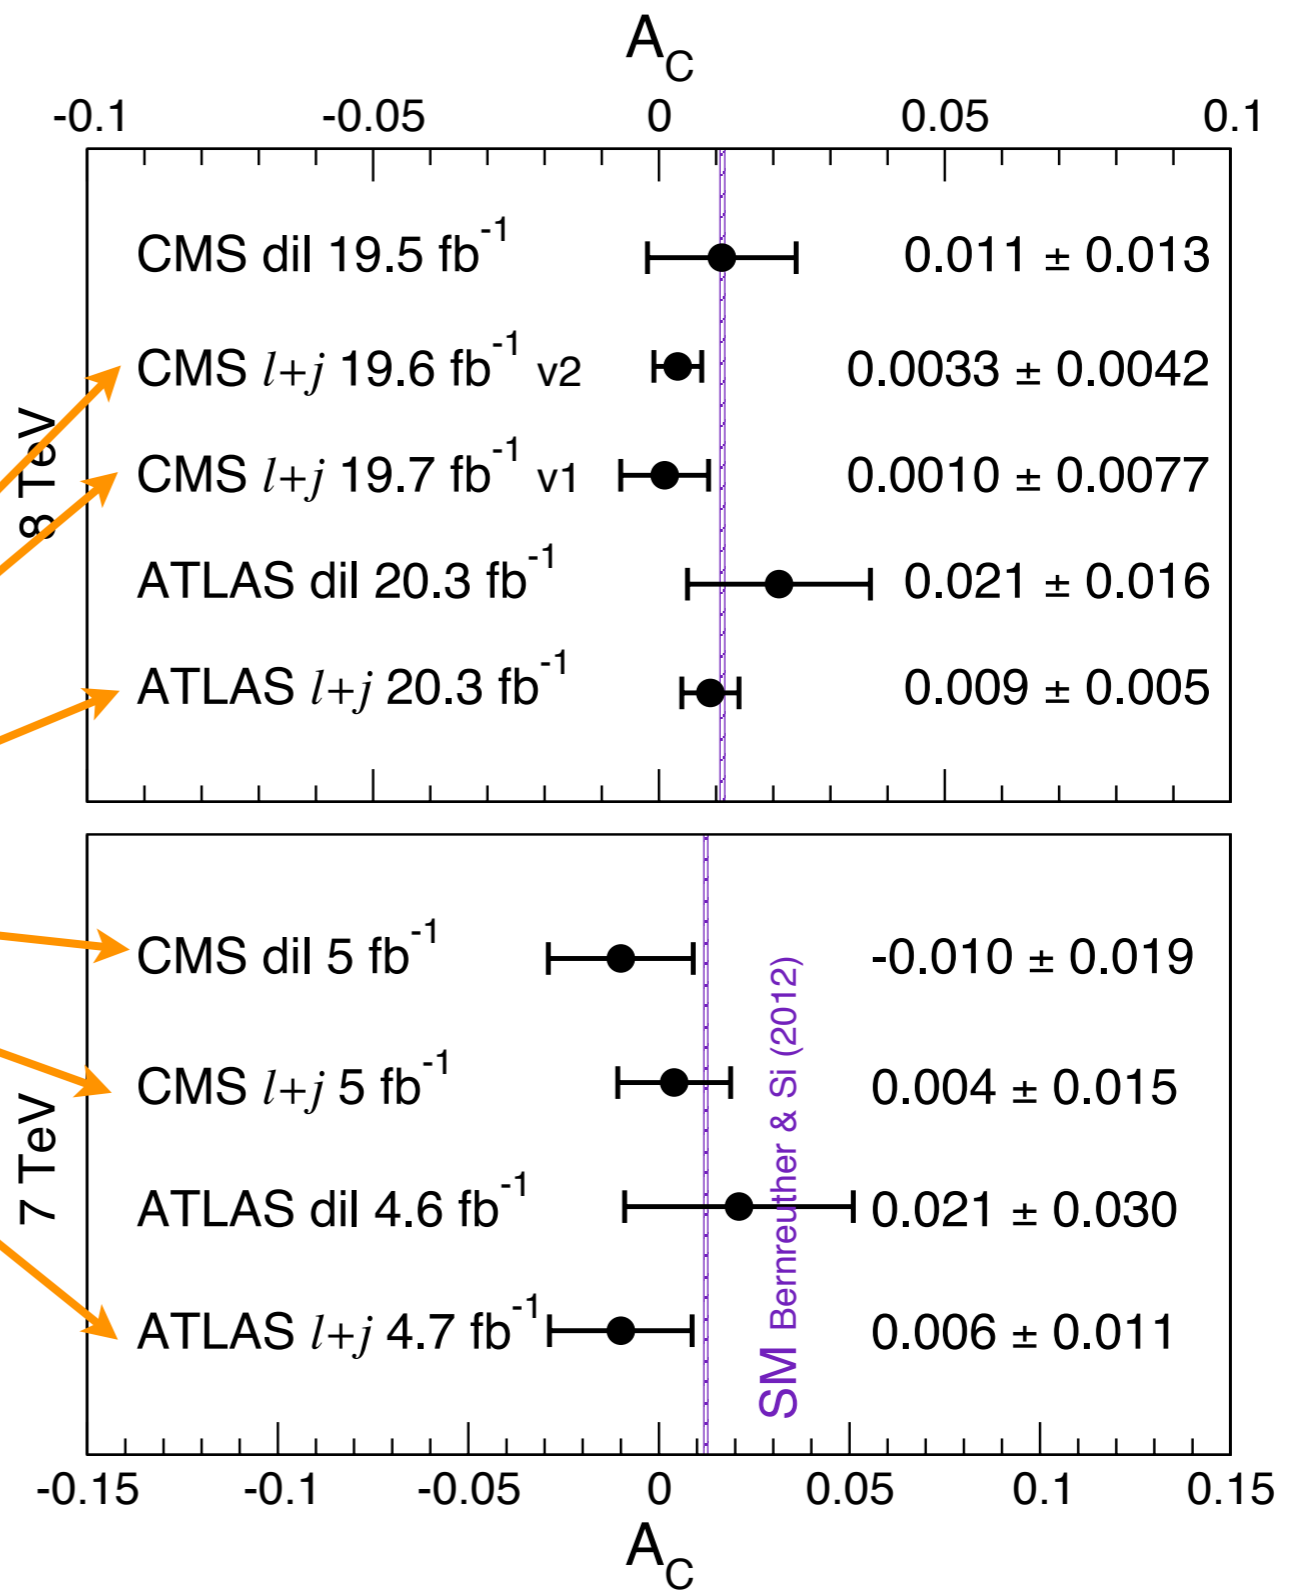

# LHC $A_C$ summary

Agreement with SM but...

Most precise measurements consistently below SM

# LHC $A_C^{\text{II}}$ summary

Agreement with SM

No clear trend
