The screenshot shows the Indico event page for the Slovak Teacher Programme 2017. The header features the Slovak flag and the event title. Below the header, the dates (18-23 June 2017) and location (CERN) are displayed. A search bar is present in the top right. The main content area includes a navigation menu with 'Overview' and 'Timetable' tabs, and an 'Administrative Support' section with contact information for Maureen Prola-Tessaur. The main text describes the programme's activities and provides contact details for the Teacher Programme Manager, Jeff Wiener. It also lists emergency contact numbers for CERN. A 'Starts' and 'Ends' section shows the event dates and times. A 'Materials' section indicates that there are no materials yet. An information icon at the bottom provides details about the scientific programme and agenda.

The **Slovak Teacher Programme 2017** will take place from 18-23 June 2017. Lectures, on-site visits, exhibitions, and hands-on workshops will introduce its participants to cutting-edge particle physics. We hope our participants will go back to the Slovak Republic as ambassadors, who pass on the subject to our next generation of physicists, engineers, IT specialists ...
