Radioactive Ion Beams in Nuclear Astrophysics (11:30 - 12:40)

time	[id] title	presenter
11:30	[99] Radioactive ion beams in nuclear astrophysics	Dr REIFARTH, Rene
12:00	[40] Perspectives for nuclear astrophysics using ultra-dense ion beams and highly brilliant gamma beams	Dr THIROLF, Peter
12:20	[81] beta-decay half lives of nuclei approaching the r-process path near the 126-neutron shell closure	Ms MORALES LÓPEZ, Anabel
