

Light Cone 2017 (LC2017)

Light Cone 2017 (LC2017)
Frontiers in Light Front Hadron Physics : Theory and Experiment
18th - 22nd September 2017, University of Mumbai

Contribution ID: 104

Type: not specified

Supersymmetric Properties of Hadron Physics from Light-Front Holography and Superconformal Algebra and other Advances in Light-Front QCD

Friday 22 September 2017 17:30 (30 minutes)

Presenter: BRODSKY, Stanley (SLAC National Accelerator Laboratory, Stanford University)

Session Classification: Session 18
