1.  Benchmarking Working Group Twiki is available
    -   https://twiki.cern.ch/twiki/bin/view/HEPIX/CpuBenchmark
    -   Still under development, needs feedback from WG members
        -   To collect topics for investigations and links to results
        -   Sections for the experiments and the sites
        -   Action Items
    -   Merge with old WIKI at INFN Rome (formerly CASPUR) and migration to new service provider (DESY) still in progress
        -   http://w3.hepix.org/benchmarks/doku.php
        -   http://w3.hepix.org/processors/dokuwiki/doku.php
        -   (Note: this is the WIKI has been created by the Benchmarking WG while developping HS06; it's still available - replace string "hepix.caspur.it" whith "w3.hepix.org" in the URL if necessary)
    -
2.  Need to evaluate what can be studied before the April GDB (12 of April)
    -   Manpower from the experiments
    -   Resources available
    -   Studies to be performed
    -
3.  Announcement: HEPiX Spring 2017 Workshop, 24-28 April 2017, Budapest (Hungary)
