## Features

---

You can enable/disable various features for your event. Disabling a feature will hide it from both managers and users.

### Image manager

*Allows event managers to attach images to the event, which can then be used from HTML code. Very useful for e.g. sponsor logos and conference custom pages.*

### Payment

*Gives event managers the opportunity to process payments for registrations.*

### Registration

*Gives event managers the opportunity to handle registrations within the event.*

### Surveys

*Gives event managers the opportunity to create surveys.*

## Call for Abstracts

Opening day

23 Mar 2016, 00:00

Submission deadline

No deadline

Submitters of abstracts are required to select one primary keyword from the dropdown list. Two additional keywords may be selected. The keywords will be used to aid in the efficient review of abstracts, and in the process of determining the topic and scope of each parallel track at CHEP 2016. The keywords are intended to aid in the classification of abstracts. There is no intention to restrict the range of topics. If you have difficulty assigning appropriate keyword(s) from the list below, please send email to [chairs@chep2016.org](mailto:chairs@chep2016.org) explaining the problem. Note that abstract submission/modification closes at 0:00 US Pacific Daylight Saving Time on April 19 - effectively at 23:59 on April 18.

The call for abstracts is open

You can submit an abstract for reviewing.
