# Indico Community

Bringing everyone together

Marco Vidal, CERN, Oct. 2017

A large, diverse crowd of people is gathered outdoors, likely at a festival or public event. The crowd is dense and extends into the background. In the distance, a city skyline with various skyscrapers is visible under a cloudy sky. The overall scene is dimly lit, suggesting an overcast day or late afternoon. The text "Our community" is overlaid in the center of the image in a white, sans-serif font.

Our community

# Community

## Problems

Information curated *by hand*

Lack of useful information

## Goals

Automatic mechanism

Know adoption and impact worldwide

In order to improve the experience using Indico

# Example

Nowadays at CERN...

480.000 hosted events

39.000 so far this year

71.000 in 2016

6200 categories

~2M attached files

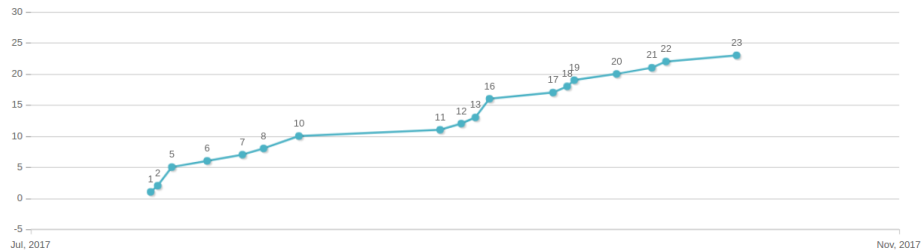

# Indico Hub

## Statistics

### Country distribution

### Registered instances

# Indico Hub

Provides useful information

- How widespread Indico is worldwide

- How fast new versions of software are being adopted

- Adapt our focus → make Indico better

Up and running since July 2017

- Funded by CERN Knowledge Transfer (KT)

- Indico administrators can join the community

## Community Hub

### Let us know that you exist!

By registering your Indico server with the community hub, you will receive news on the latest releases as well as important security advisories. The data in the form below will be sent to the community hub.

Alongside, the following public information will be periodically collected as well:

- Server default language (en\_GB)
- Indico version installed (2.0.dev0)
- Python version used (2.7.5)
- Postgres version used (9.6.2)
- Operating system used (Linux CentOS Linux 7.4.1708)
- Debug mode (disabled)
- Basic statistics (number of events, contributions and users)

### Synchronized

This server is registered as part of the community and is up to date.

# Our channels

A vintage black rotary telephone sits on a wooden desk. The phone is the central focus, with its handset resting on the base. The background is a window with a white frame, showing a blurred view of the outdoors. The overall lighting is dim, creating a moody atmosphere. The text 'Our channels' is overlaid in a clean, white, sans-serif font across the middle of the image.
