Identified charged hadrons production at intermediate and high p_T measured by ALICE at the LHC

Monday, 2 October 2017 14:30 (30 minutes)

Primary author: Dr VOLPE, Giacomo (Università & INFN, Bari)

Presenter: Dr VOLPE, Giacomo (Università & INFN, Bari)

Session Classification: High p_T jet production in pp, pA and AA (including high- p_T hadron spectra)
