2017 AGM

# Membership

- Membership numbers are holding steady 😊

Membership Numbers

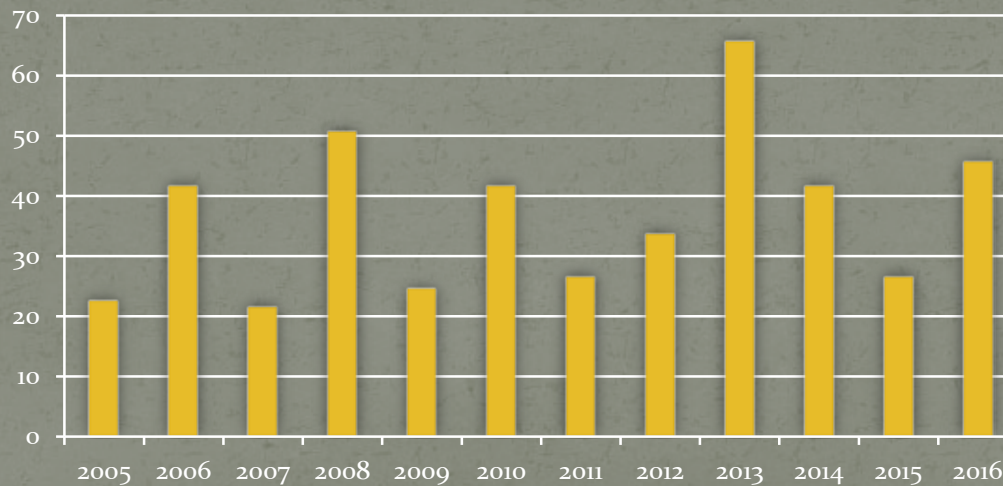

# Network Connection

- Wi-Fi connection checked by Paolo Palazzi
  - Now appears to be strong enough for the automated check in / check out system 😊
- A cable connection not followed up

# Book Selection

- Two book selections (April & November)
- 46 new books added to the catalogue
- 31 donated books added to the catalogue as well

Number of Books in Recent Years

# e-Books

- Paolo Palazzi talked to the Meyrin Library about the system they were using
  - 290 books in English
  - 10 times more books in French
- Might be possible to use the same system but may need to register through the CERN Library
  - CERN people can join the Meyrin Library
- Should be followed up to see if we can offer this service directly

# Club Rooms

- Books – Self-Checking System
  - Investigated by Paolo Palazzi
  - Computer donated by John
  - Technically everything is now working
  - Some operational choices probably still need to be made
  - Not yet up and running, but we're nearly there! 😊
  - Many thanks to Paolo and John
- Electronic locks
  - Proposed by CCC
  - Decided that the potential benefits were not justified

# Publicity

- Restaurant 1 promotions table
  - 31<sup>st</sup> May – several new members 😊
- Relay Race
  - Decided that the end results did not justify the effort
- Website
  - Paolo Palazzi was looking into creating a new site
    - No news
  - No changes to current website during the year

# 2016

- Membership numbers are much the same 😊
- A lot more good books added! 😊
- Automated Self-Checking system almost a reality 😊
- Website in serious need of an update and facelift
