

Dear Contributor,

The proceedings for "11th International Conference on Position Sensitive Detectors" will be published in the Proceedings Section of JINST, Journal of Instrumentation.

To prepare your contribution for submission, please use the JINST Proceedings templates at [http://jinst.sissa.it/jinst/help/JINST\\_TeXclass.jsp](http://jinst.sissa.it/jinst/help/JINST_TeXclass.jsp)

Kindly notice that the number of pages should not exceed 10 pages for contributed talks/posters and 12 pages for invited talks.

When writing your contribution, in addition to the scientific quality and relevance of the subject matter, it is advisable also to check the quality of formatting, language and style (i.e. incoherent use of unit of measure; different conventions used in the same paper such as abbreviations "s", "sec", "seconds" and position: "C", "C"; poorly organized tables; etc.).

When your contribution is ready for submission, please follow the instructions below:

1. Connect to <http://jinst.sissa.it> and register;
2. select the link "submit a proceedings contribution" in the "Submit" section of the page;
3. select the PSD11 conference from the list;
4. follow the step-by-step procedure for submission, referring to the instructions available in the section "For Authors" at the top of the JINST home page (<http://jinst.sissa.it/jinst/help/helpLoader.jsp?pgType=author>).

**Submissions will be open until August 31st.**

For any further information and assistance, do not hesitate to contact me and the JINST Editorial Office ([jinst-eo@jinst.sissa.it](mailto:jinst-eo@jinst.sissa.it)).

Yours sincerely,

Prof. Geoff Hall
