

2nd International Workshop on QCD Challenges from pp to AA

Tuesday 31 October 2017

Initial Conditions: Initial Conditions (17:25 - 18:35)

time	[id] title	presenter
17:25	[30] Inverse magnetic catalysis from the properties of the QCD coupling in a magnetic field	Prof. AYALA, Alejandro
18:00	[3] The parton-to-kaon fragmentation functions from global QCD fits at NLO	HERNANDEZ-PINTO, Roger
