

## Diffuse Synchrotron Emission in Clusters of Galaxies - What's Next?

Contribution ID: 70

Type: not specified

### **State-of-the-art JVLA observations of clusters of galaxies: revealing new physics about the non-thermal particles**

*Thursday 26 October 2017 11:10 (20 minutes)*

**Presenter:** Prof. HLAVACEK-LARRONDO, Julie (Université de Montréal)

**Session Classification:** Thursday Morning
