

Diffuse Synchrotron Emission in Clusters of Galaxies - What's Next?

Contribution ID: 83

Type: not specified

A Weak-lensing Analysis of the Synchrotron Rich, Double Radio Relic Galaxy Cluster, PLCK G287.0+32.9

Friday 27 October 2017 11:15 (20 minutes)

Presenter: FINNER, Kyle (Yonsei University)

Session Classification: Friday Morning
