

# Diffuse Synchrotron Emission in Clusters of Galaxies - What's Next?

## Monday, 23 October 2017

### Monday Morning (10:00 - 12:30)

-Conveners: Julie Hlavacek-Larrondo

time	[id] title	presenter
10:00	[30] Welcome & Introduction	ZANDANEL, Fabio
10:10	[31] Observations of radio halos, mini-halos and relics	VENTURI, Tiziana
10:55	[32] LOFAR observations of clusters of galaxies	Dr SHIMWELL, Tim
11:20	[33] Early results from SKA pathfinders	JOHNSTON-HOLLITT, Melanie
11:45	[34] Exploring the diffuse emission from clusters of galaxies with MSSS	ORRU, Emanuela
12:05	[35] Observations of radio relics	Dr VAN WEEREN, Reinout
