

Session Program

23-27 Oct 2017

Diffuse Synchrotron Emission in Clusters of Galaxies - What's Next?

Monday Morning

Hortus Botanicus, Leiden

Monday 23 October

10:00

Monday Morning

Session | **Location:** Hortus Botanicus, Leiden | **Convener:** Prof. Julie Hlavacek-Larrondo

10:00–10:10 **Welcome & Introduction**

Speaker

Fabio Zandanel

10:10–10:55 **Observations of radio halos, mini-halos and relics**

Speaker

Tiziana Venturi

10:55–11:20 **LOFAR observations of clusters of galaxies**

Speaker

Dr Tim Shimwell

11:20–11:45 **Early results from SKA pathfinders**

Speaker

Melanie Johnston-Hollitt

11:45–12:05 **Exploring the diffuse emission from clusters of galaxies with MSSS**

Speaker

Emanuela Orru

12:05–12:30 **Observations of radio relics**

Speaker

Dr Reinout van Weeren

12:30
