

Diffuse Synchrotron Emission in Clusters of Galaxies - What's Next?

Tuesday, 24 October 2017

Tuesday Afternoon: I (13:45 - 15:10)

-Conveners: Daniele Dallacasa

time	[id] title	presenter
13:45	[48] Galaxy clusters at ultra low-frequencies	DE GASPERIN, francesco
14:10	[49] Deep in the (un)known: the Sausage Cluster	DI GENNARO, Gabriella
14:30	[50] Simulations of the Sausage Cluster	DONNERT, Julius
14:50	[51] Magnetic fields properties derived from radio relics	Dr HOEFT, Matthias
