

Diffuse Synchrotron Emission in Clusters of Galaxies - What's Next?

Wednesday, 25 October 2017

Wednesday Afternoon: I (13:45 - 15:15)

-Conveners: Julius Donnert

time	[id] title	presenter
13:45	[60] Particle acceleration in collisionless shocks	SPITKOVSKY, Anatoly
14:30	[61] Electron acceleration at quasi-perpendicular shocks	SIRONI, Lorenzo
14:55	[62] Cosmic Ray acceleration in clusters updated	JAFFE, Walter

Wednesday Afternoon: II (15:35 - 16:25)

-Conveners: Julius Donnert

time	[id] title	presenter
15:35	[63] Diffusive Shock Acceleration Model with Postshock Turbulence for Radio Relics	KANG, Hyesung
16:00	[64] Turbulent acceleration and magnetic field amplification in galaxy clusters	OH, Peng
