

# 2nd FCC Physics Workshop

## Monday, 15 January 2018

### EW interactions - 222/R-001 (14:00 - 18:30)

time	[id] title	presenter
14:00	[8] Introduction: EW precision as a probe to many scenarios of new physics	PICCININI, Fulvio
14:30	[9] Report from the "EW precision calculations" miniWorkshop	GLUZA, Janusz
15:00	[10] Progress on precision for FCC-ee EW observables	TENCHINI, Roberto
15:20	[11] Progress on FCC-ee Ecm @ 100keV determination	BLONDEL, Alain
15:35	[12] AFB( $\mu\mu$ )	JADACH, Staszek
15:55	Coffee break	
16:20	[13] WW experimental: mass, width, anomalous couplings	AZZURRI, Paolo
16:45	[14] Precision predictions of WW process and uncertainties	SKRZYPEK, Maciej
17:05	[15] EW corrections at high energy	WEBBER, Bryan
17:25	[16] EW measurements in ep	BRITZGER, Daniel
17:55	[18] Discussion
